👤 Profile

A highly motivated graduate with a passion for software development and a strong willingness to learn. Looking for an opportunity to apply my skills, grow professionally, and contribute to a dynamic team.

💼 Professional Experience

Pythonfullstack intern at Vcube   07/2024 – 12/2024 | Hyderabad

Worked on a QR-based metro ticket booking system, enabling users to book metro tickets online and generate QR codes for seamless entry at metro stations. Developed the backend using Python (Django) and managed data with MySQL, while building the frontend with HTML, CSS, and JavaScript. Ensured secure authentication, real-time ticket validation, and a smooth user experience.
